**MYSTERY STILL UNSOLVED**

The founding left at Mrs. John Hall's home in Forest avenue, and later removed to the County Infirmary, died last evening at the latter place.

Under the circumstances perhaps it is best that the child died. Certainly its passing away will remove a big lump in the throat of some unknown person who has, for the past several days, been on the anxious seat. The alleged mother of the child has evidently been well fixed, as she remains firm in not divulging the name of the father of her offspring.

**ACTUAL PHOTOGRAPHS**

Reproduced in Wonderful Five-Sheet Posters For Blue Grass Fair.

Probably the most attractive paper ever put out by a fair association is that which has been used this year to advertise the big Blue Grass Fair, which will be held at Lexington the week of August 8 to 13. The paper is all made from designs copyrighted by the Blue Grass Fair association, and the views used are taken from actual photographs made on the fair grounds in years past. The most prominent of these is a large five-sheet poster, showing a superb type of a Kentucky saddle horse. One of the best-known exhibitors in America is astride him, and the position of the horse and the pose of the rider are so natural, so graceful and so life-like as to attract immediate attention.

**JACK CHINN**

**Declares in Favor of Pool—Says God Has Cut Out the 1910 Crop and "Dumper" Has a Gold Brick**

HARRODSBURG, Ky., August 2d.—One of the most striking speeches of the pooling campaign was delivered to tobacco growers of Mercer county in a mass meeting at the Courthouse Monday afternoon by Colonel Jack Chinn. His talk was impromptu and followed addresses by Ward Headley, representing the Burley Tobacco Society, and Judge J. W. Hughes of this county.

Last year Colonel Chinn declared that he would "burn his tobacco on the high road" if such a sacrifice would advance the cause of the tobacco growers, and today he said that if it should become necessary he was willing to "plow up every acre to prevent failure of the movement."

"However, we cannot fail this year," he said. "The men who have made it a success still have their shoulders to the wheel, and will not be defeated. Some community may fail to do its part, but the organization will triumph. The growers of Mercer or any other county are not necessary to its success, but it is vital to their interest."

"There are a lot of pin-hookers and pot-hunters skulking around trying to persuade growers to the dishonorable, mean trick of staying out of the cause which means the salvation of all, advising them that they can sneak their tobacco to market, and enjoy the prices the labor of others has made."

"This year, however, the dumper has a gold brick. God has cut the 1910 crop, and what remains is just counterfeit tobacco. The tobacco in the 1909 pool is the hope of the manufacturer. I think it is magnanimous if we who are in that pool give him an opportunity to sell his trash."

"Every man owes it to his interests, to his community's interests and to his State to do something for a movement which looks further than any one crop. This year no grower can dodge the issues. If you are not for the pool you have got to be against it. It is your only protection for the future, and you should not allow anybody to blind you by the promise of a mess of pottage this year."

"I am in this fight to stay. If a white flag is ever shown it has got to be raised on Wall street."

**TRUTH CROPS OUT**

**WHY PILE SUFFERERS SO OFTEN FAIL TO GET RELIEF**

Science is getting to the bottom of everything, including the cause and cure of piles. The brightest doctors now admit that piles are caused internally and can be cured only by internal treatment. Dr. J. S. Leonhardt some time ago perfected a remedy in tablet form—Hem-Roid, which cures the cause of piles, and therefore cures permanently. It is sold by J. James Wood & Son, Maysville, Ky., under money-back guarantee. \$1 for 24 days' treatment. Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

**THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS**

Were living in perfect comfort all over the house. The Underfeed coal burning way—fuel fed from below—all the fire on top—insures as much clean, even heat from cheapest slack as highest priced coal which ordinary heating plants require. This enables Underfeed users to

SAVE 1/2 TO 3/4 OF COAL BILLS

Mr. J. E. Crider, President of the Crider Creamery Company, Fredonia, Ky., relates his Underfeed experience thus:

"We installed one of your No. 739 Underfeed furnaces in our 12-room house about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, fires easily and the heat is quite evenly distributed throughout the various rooms. We use nut and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Send for our FREE book about UNDERFEED Furnaces and Boilers and let us PROVE that it will pay you to discard old-fashioned heating methods and install the satisfactory dividend-earning Underfeed. Heating plans and services of our Engineering Department all FREE. Write today.

RUGGLES CAMPMEETING

Notes of Interest Gathered at These Beautiful Grounds

RUGGLES CAMPGROUNDS, August 31, 1910. Special Correspondence Public Ledger.

Just when we had begun to think that it was going to get a little too warm for comfort, we had a fine rain, which layed the dust, cooled the atmosphere and made everything more comfortable. It could not be more delightful if we had the ordering of the weather ourselves. Every camper is saying it is the best Campmeeting they ever attended. If some of those folks that let the wet summer scare them out of attending this year could come on the grounds a little while, they would see what they are missing.

We had a great sermon from Rev. G. N. Jolly, D. D., at the morning service. His subject was "The Faith of the Church," and it was handled in a masterful way.

Rev. E. H. Edwards preached at the Bible study hour.

At the evening service Dr. Blodgett preached another very impressive evangelistic sermon. Many asked for prayers at the close of service.

Rev. A. H. Davis and daughter of Catlettburg, L. R. Godbey of Mt. Olivet and W. H. Davenport of East Maysville arrived today. Their arrival increases the attendance of Ministers to the largest number on record. In all, there have been about twenty-eight in attendance thus far, and more to come.

W. D. Hendrickson, our efficient Chief of Police, was called to Vanceburg for a day or so on some business. During his absence, his place was well taken care of by William Sons, our faithful man of general usefulness. "Billie" is on to his job all right and saw that good order was maintained.

In the wee hours of the early morning, the three great pedestrians—Benson Orr, Sam McNutt and Robert Nash—hove into camp. No, they didn't exactly "hove" in. They got as far as the stables and there, weary and foot-sore, they laid themselves down on the soft side of some boards and sweetly slept till morning, their slumbers being disturbed by nothing but dreams of the joys of the morrow, with fried chicken, pretty girls to promenade with and Church to go to three or four times a day.

Messrs. W. B. Sayeres and John Stitt of Covington came into camp this afternoon in an auto, to remain over night with us.

The annual meeting of the Campmeeting Association was held this morning. The old Board of Directors was re-elected. No other business of importance, outside of the routine business, was transacted.

Mrs. W. H. Means of Maysville is a visitor

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them? Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it affords me pleasure to corroborate the testimonial we gave for publication in their favor some years ago. Doan's Kidney Pills brought me great relief and I have no hesitation in again recommending them."

WHOLE BURLEY POOL

Of 1909 Crop To Be Offered For  
Sale August 16th at Lexington  
—Biggest Tobacco Event  
on Record

On August 16th, President Clarence Lebus, according to report, will put a price on 120,000,000 pounds of tobacco in the Burley pool, and will offer it for sale. The price fixed by President Lebus will hold only for one day, the Executive Board deciding what prices shall obtain after that date.

Within the last month counties all over the District have speeded prizing and types have been hurried to Lexington for official grading. Having tobacco from every section the Board is now able to establish representative grades and prices, and on August 16th, at 1 o'clock p. m., the Society will be in a position to offer the entire tobacco in pool or to consider the sale of only a portion.

Several groups of independents have been clamorous to buy that part of the tobacco which was steam-dried, but as this amounted to only about fifteen thousand hogsheads, and represented only those counties to which re-drying plants were accessible, the Executive Board deemed it unwise to put it upon the market.

The Executive Board sent out notices yesterday to every tobacco manufacturer using White

Burley, inviting them to inspect the samples on August 16th, and the number of representatives in Lexington on that date is expected to be the largest ever assembled at one sale.

The Civic League of Philadelphia, during  
"Municipal House-cleaning Week," sent out  
thousands of cards requesting observance of  
the following rules:

- "1. Do not throw down any paper.
- "2. Do not throw down any fruit.
- "3. Do not throw down any rubbish.
- "4. Do not hurt any property.
- "5. Observe all city ordinances."

Parents and teachers were requested to urge  
upon children compliance with the suggestions  
and very good results were obtained. It would  
not be a bad idea to have a municipal house-  
cleaning day, or days, in this city from time  
to time. Such an event would suggest clean-  
liness and civic pride to all and mutual good  
examples would create a continuing desire for  
a more beautiful and sanitary city.

MORE towns die for want of confidence on  
the part of business men and lack of public  
spirit than any other cause. When a man in  
search of a home or a  
business location goes  
into a town and finds  
everything brim full of  
hope and enthusiasm of  
the prospects of the place and all earnestly at  
work to build it up, he soon becomes imbued  
with the same spirit, and, as a result, he drives  
down stakes and goes to work with the same  
interest. When, however, he goes to a town  
where every one expresses doubt and appre-  
hension for the future prosperity of the place,  
moping about, indulging in mournful com-  
plaints, he naturally feels that it is no place  
for him, and he at once shakes the dust from  
his feet, while he pulls out with all possible  
speed for another place. Consequently, try to  
make a live, enterprising town in which you  
live. When you are working for your town  
you are accomplishing all the more for your-  
self.

"We tire, in time, of all things," said Henry E. Dixey  
at the Lambs in New York.  
"I know a Utica farmer who got caught in a barbed-  
wire fence and had to stay there for six hours. He told  
me afterward that he never got so tired of swearing in his  
life."

## Sample Helps Frail Women

So many women are dragging out  
weary lives just because their diges-  
tive organs are weak. The result is  
poor circulation, nervousness and the  
verge of invalidism. It is often very  
unnecessary and the woman's own  
fault.  
The first thing to do is to look to the  
welfare of your bowels. There the trou-  
ble usually lies. All physicians know  
that a large percentage of women are  
habitually constipated, and from this re-  
sults indigestion, piles, weariness, etc.,  
that women constantly complain of.  
But there is no use taking "female reme-  
dies" and things of that kind until you  
have started your bowels to moving.  
You will find that when the bowels move  
regularly once or twice a day all your  
petty ills will disappear. Take a good,  
mild laxative tonic like Dr. Caldwell's  
Syrup Pepsin for awhile and you will  
find yourself rapidly getting better and  
stronger, your bowels will regulate them-  
selves and work at stated times, and  
then your headaches and dizziness will  
disappear. Don't take strong cathartic  
pills or salts, but just such a mild and  
pleasant-tasting remedy as Dr. Caldwell's  
Syrup Pepsin.  
You can obtain a bottle of your drug-  
gist for fifty cents or one dollar, and  
either size may be enough to perma-  
nently cure you. Thousands of women  
keep it regularly in the house and will  
no longer be without it, as it cured them  
and can be used with safety by every  
member of the family, down to the  
youngest child, but if you have never  
used it take the advice of Mrs. Earl S.  
Cox, 409 Twenty-fifth street, Moline, Ill.,  
and Mrs. Ellen Dungan, Muncie, Ind., and  
send to Dr. Caldwell for a free trial bot-  
tle, as they did, and learn for yourself  
what it will do in your own case. That  
it will cure you, as it did them, there is  
no doubt.  
Dr. Caldwell personally will be pleased  
to give you any medical advice you may  
desire for yourself or family pertaining to  
the stomach, liver or bowels absolutely  
free of charge. Explain your case in a  
letter and he will reply to you in detail.  
For the free sample simply send your  
name and address on a postal card or  
otherwise. For either request the doctor's  
address is Dr. W. B. Caldwell, R. 507 Cald-

## MEETING OF BANKERS' ASSOCIATION

The meeting of Group 9, Bankers' Association, convened in Ashland Wednesday and was well attended by members of the Association. Mr. J. W. Heflin of Flemingsburg was elected President and Mr. Gunnell of Catlettsburg was made a member of the Executive Committee. The By-laws were amended so as permit of the President appointing a Secretary. Resolutions were adopted advocating the examination of State Banking Institutions and declaring in favor of a United States Bank of Reserve and Issue, being the Central Bank idea. The next meeting place of the Association will be fixed later by the Executive Committee. Bankers J. N. Kehoe and George T. Barbour of this city were in attendance and report the Bankers of Ashland as having entertained the Association in an elegant and elaborate man-

## WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me, I grew stronger, and within three months I was a perfectly well woman."

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDAN, 2115 Second St., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.
